Part Two: Regulations

1. Bad Weather Procedures:

- a. The referee shall have the authority to suspend the game due to adverse weather conditions or darkness. This decision will be based on whether the field of play presents a danger to the participants.**
- b. Only board members at the park can decide to postpone and/or cancel games for the day.**
- c. Once the referee suspends the game, the teams must remain off the fields, in their vehicles until the game is resumed or officially canceled by a board member. No one should return to the field for a minimum of 30 minutes after the last lightening is seen or thunder is heard. Failure to return to a resumed game will result in forfeiture.**
- d. Regardless of weather conditions, teams must report to the assigned field ready to play unless officially notified of a postponement of the game. The penalty for failure to show for a scheduled game is forfeiture.**
- e. If a game is terminated before the end of the first half, that game will be replayed. If the game is terminated after the end of the first half, the game is considered complete and the score is final.**

2. Heat Procedure :

This procedure is to be used until such time as the temperature is below 84 degrees as no combination of heat and humidity at that level will result in a need to curtail activity.

- 1. Thirty minutes prior to the start of activity, temperature and humidity readings should be taken at the site.**
- 2. The temperature and humidity should be factored into the Heat Index Calculation and Chart and a determination made as to the Heat Index. If schools are utilizing a digital sling psychrometer that calculates the Heat Index, that number may be used to apply to the table.**
- 3. If a reading is determined whereby activity is to be decreased (above 95 degrees Heat Index), then rereading's would be required every thirty minutes to determine if further activity should be eliminated or preventative steps taken, or if an increased level of activity can resume.**
- 4. Using the following table, activity should be altered and/or eliminated based on this Heat Index as determined:**

Under 95 degrees Heat Index—

- Optional water breaks every 30 minutes for 10 minutes in duration to allow hydration as a group.**
- Have towels with ice for cooling of athletes as needed.**
- Watch/monitor athletes carefully for necessary action.**
- Re-check temperature and humidity every 30 minutes if temperature rises in order to monitor for increased Heat Index.**

95 degrees to 99 degrees Heat Index—

- Water shall always be available and athletes shall be able to take in as much water as they desire.**
- Mandatory water breaks every 30 minutes for 10 minutes in duration to allow for hydration as a group.**
- Have towels with ice for cooling of athletes as needed.**
- Watch/monitor athletes carefully for necessary action.**
- Helmets and other equipment should be removed when athlete not directly involved with competition, drill or practice and it is not otherwise required by rule.**

100 degrees (above 99 degrees) to 104 degrees Heat Index—

- Water shall always be available, and athletes shall be able to take in as much water as they desire.
- Mandatory water breaks every 30 minutes for 10 minutes in duration to allow hydration as a group.
- Have towels with ice for cooling of athletes as needed.
- Watch/monitor athletes carefully for necessary action
- Alter uniform by removing items if possible and permissible by rules.
- Allow athletes to change to dry shirts and shorts at defined intervals.
- Reduce time of outside activity as well as indoor activity if air conditioning is unavailable.
- Postpone practice to later in day.

Above 104 degrees Heat Index—

- Stop all outside activity in practice and/or play and stop all inside activity if air conditioning is unavailable.

Notes: Reduce time of outside activity. Consider postponing practice to later in the day. Re-check temperature and humidity every 30 minutes to monitor for increased Heat Index.

2. Field and Game Procedures for Teams, Coaches & Spectators:

- a. Each head coach is responsible for the conduct of his/her players, parents, assistant coaches and team supporters.
- b. Abuse or Abusive language toward any referee will not be tolerated.
- c. All spectators will stay on the side of the field that is opposite the player's side and shall remain behind the spectator's line at all times.
- d. No more than one coach is permitted on the field of play at one time, for injury or instances deemed necessary by the referee. Coaches permitted to enter the field of play by the referee will attend to the injured player only. Attempting to coach players while attending to the injury is not acceptable and the coach can be cautioned if deemed necessary by the referee.

3. Ejections and Suspensions:

- a. If a coach is ejected from a game, he/she is not permitted to coach in the next playable game.
- b. If a coach is ejected from a game, the assistant coach assumes the role of head coach. If the assistant coach is absent, a kid safe approved parent may assume the role of active head coach. If one is not available a board member will assume the role. Whoever takes over must be kidsafe approved.
- c. In the Wings division and older, if a player receives a red card, that player is not permitted to play in the remainder of that game and that player's team must play one player short. The ejected player is also not permitted to play in the next regular season or tournament game or any other disciplinary action deemed necessary by the board of directors.
- d. In the Passer Division and younger, if a player is ejected, that player is not permitted to play in the remainder of that game and is subject to any other disciplinary action deemed necessary by the Board Of Directors.

4. Appeals & Protests:

a. Judgment calls by referees may not be protested. An official protest concerning a particular game and any incidents which occurred during that game may be submitted by the Head Coach, or Assistant when the Head Coach is not present, ONLY if it is alleged that a playing rule or law was incorrectly applied or enforced by the referee. Laws available at www.ussoccer.com

b. Official Protest Procedure:

- 1. An informal, but official, verbal protest must be made by the Head Coach or Assistant Coach if Head Coach is not present, BEFORE the referee(s) leave the playing area.**
- 2. A simple or vague complaint about a call will not suffice. The word protest must be used and made clear to the referee.**
- 3. The referee must notify the opposing coach of the protest.**
- 4. The coach must provide a written (e-mail acceptable) report of the incident and pay the \$50 protest fee to the Board of Directors within 24 Hours.**
- 5. If the protest is upheld, the deposit will be returned. If not, the deposit is forfeited.**

5. Amending the Rules and Regulations

- a. The Board of Directors may only make changes to the Rules and Regulations**
